

Jason Ho Hong Kong

FCA offers me smaller class sizes and individual attention so I may do better in my courses. The teachers are all very kind, supportive and helpful. I love my homestay family as well because they are very caring and supportive of my interests and activities. Coming to Canada has been a great experience for me and I am so glad that I made that decision.

A word from the Principal

Jason has really worked hard academically and his excellent grades are such an encouragement. He is a well-rounded young man as he plays on the Boy's Varsity Sr. Basketball and Soccer teams, which has resulted in a tremendous improvement in his athletic and leadership skills over the past two years. I am thrilled that Jason chose to come to FCA and have no doubt that he will be successful at University upon graduating from Fredericton Christian Academy.
