To Whom It May Concern,

Fredericton Christian Academy (FCA) has been operating in the world-class city of Fredericton, NB since 1979. Students from New Brunswick and around the world have benefited from a FCA educational experience for more than 30 years. As well, almost 100% of FCA's graduates are successfully accepted to top universities throughout Canada and worldwide.

The province of New Brunswick recognizes FCA as a legitimate, diploma-granting Early Childhood through Grade 12 private international school. New Brunswick is pleased to offer educational choices to students and I am pleased to state that FCA is a great private school alternative and a positive asset to the greater Fredericton community.

FCA offers broad curriculum options and utilizes official New Brunswick Department of Education curriculum.

Any international student choosing to study at FCA and live in Fredericton is also choosing to be part of an excellent community of learning/caring and will most certainly be successful in their post-secondary studies and beyond.

Sincerely,

A handwritten signature in blue ink that reads 'Stephen Horsman'.

Hon. Stephen Horsman
