

# TRAFFIC FLOW PATTERN

## DROP OFF TRAFFIC FLOW

- ◆ All students K-12 are dropped off in the roundabout off of Medley St.
- ◆ All ECLC students are dropped off at their entrance off Maclaren Ave.

NO Parking at any time!

Parking for ECLC Drop Off

We would ask that **NO vehicles STOP and park anywhere in the roundabout area** of the driveway off of Medley Street (some people tend to park by the grass on the back side of the circle which doesn't allow some vehicles to make the full turn in the roundabout).

## NOON HOUR/AFTERNOON PICKUP TRAFFIC FLOW

- ◆ K-5 are picked up at the roundabout off of Medley St.
- ◆ 6-12 are picked up at the end of their wing off of Maclaren Ave.

We want the roundabout to be a quick drop off and go, or pick up and go. If people need to wait then please use the parking lot.
