

NOTE: Canada is a multicultural society that values and respects the diversity of all Canadians. Many different kinds of Canadian families participate in the Homestay Program. Some families work full-time, while others work part-time and/or are retired. Every host family will have its own unique lifestyle, so be open and willing to share and enjoy a meaningful Homestay experience with the host family we have selected for you.

Due to the geography of your Homestay family, students maybe required to use taxi or city transit periodically at your expense.
