**INTERNATIONAL FAMILY PROGRAM**

## INTERNATIONAL FAMILY PROGRAM

A wonderful opportunity for the whole family! You can experience Canadian culture with your child(ren) as they attend school to improve their English Language skills. FCA's International Family Program offers students from Junior Kindergarten to Grade 12 an opportunity to study in Fredericton, New Brunswick, Canada. This program invites families to accompany their children for this English immersion program.

Students will experience the positive effects of FCA's caring learning environment while taking part in the full academic program. Students will receive English language instruction, academic support, and modification that meets their needs. While making new Canadian friends, becoming familiar with the Canadian education system, improving their English proficiency and learning about new cultures.

FCA will work closely with parents and agents to find wonderful living accommodations near the school, explore different modes of transportation, set up bank accounts, get oriented to the local area, and ensure that all other settlement items are cared for. The settlement process includes airport pick-up, finding housing, support with vehicle purchases, insurances, community programs for parents, and various other items.
