

HOMESTAY STUDENT PROFILE

NOTE

Canada is a multicultural society that values and respects the diversity of all Canadians. Many different kinds of Canadian families participate in the Homestay Program. Some families work full-time, while others work part-time and/or are retired. Every host family will have its own unique lifestyle, so be open and willing to share and enjoy a meaningful Homestay experience with the host family we have selected for you. Due to the geography of your Homestay family, students may be required to use taxi or city transit periodically at your expense.

MEDICAL INFORMATION

If you have any health problems, allergies and/or require medication, you must bring a letter, written in English, from your doctor, that explains the problem, medication required, and medication dosage. If there are certain medical procedures that are unacceptable to you for religious reasons, bring a signed and witnessed medical directive with you, written in English, when you come. We will need to see your medical directive, along with any international medical insurance you may have when you first arrive.
